

Back Bay Farm Newsletter April 2010

Show Me...

Your show schedules!
We must plan ahead for trucks & horse numbers. Please talk to Robin about your summer plans. Also, need a copy of your current member cards.
If you want points to count for NHHJA, \$20 fee, (\$30 family), link on website.

Everyone has ordered Saddle Nameplates, yes? Excellent!

Extra Sheets

We suggest you own more than one cotton sheet for your horse, in case of wear & tear, washing time or horses that specialize in total destruction. This is good time of year to check your horse's wardrobe to see what else is needed.

Good Habits

Riders should always run your hands down your horse's lower legs while grooming & booting to check for any heat or soreness. Get to know your horse's old bumps or scars, so you recognize new ones. Any questions, ask!

First Outing

Evenstride group had a fabulous 1st show: Heather & Logan scored points, Anne & Anna cruised on Prento, Sarah & Saint marched right around & Kris won her NE medal with Ivan. Woo hoo!

Spring Clinic

We look forward to James' fun & challenging expertise to brush off winter cobwebs & get us back in outdoor & show shape. All riders can benefit. Fri. afternoon & Sat. before Castleneck show. Sign up posted.

Clothing Swap

Clean your closets & bring any extra or outgrown rider clothing for a sale/swap during the May 8th BBF horse show.
