

Back Bay Farm Newsletter July 2010

Driveway Detour

We are asking everyone not to ride horses down the driveway during July & August. Increased traffic during the busier summer days makes it a real safety issue. Feel free to walk around the barn, back paddock or pine island area. Thanks for cooperating!

Phone is Faster

To get in touch with Robin, please call for a quicker response. While BBF is working on upgrading to email for communication, we don't have a barn computer yet.

Show Riders Etiquette

Everyone is doing a great job keeping track of their rings & classes, (you can always check a list of entry #s at the secretary table or you can ask the gate person) & walking or grazing their horses so they get off the trailers. Your horses & ponies thank you!

Watching Warm-Ups

You may also want to come early & watch Shane warm-up your horse or school them at home. It can be very instructional to see your horse go from the ground & see how the courses ride.

Recycling for Real

Recycle bins scheduled to appear at the barn, please help - bottles, cans, paper, cardboard can all be mixed. Please rinse any sticky liquids to deter flies. Thanks!

***Grazing Fields/Head of the Bay**

Sorry, due to date conflicts, we will not be going 7/27-30 :(

***Fall Myopia Show**

FYI - Myopia has merged its traditional fall show with the newly created Boston/ Putnum Jumper Classic & will run NEHC-rated classes on Fri 9/10 & Sat 9/11.

Upcoming: NHHJA/Silver Oak 7/8-7/11, Cornerstone 7/18, BBF Camp 7/19-7/23.
