

Back Bay Farm Newsletter June 2009

Show Schedule Changes

Please note the new show dates. Now is a the time to fix your plans for summer shows. Please speak to Robin about shows you will or will not attend. BBF must plan ahead for grooms & reserve outside trailers for many shows, especially NSHA. (Changes posted on website also).

Trailer Charges

Please give (at least) one week's notice if you must change your show plans, otherwise fees for trailering may need to be charged.

Our Busy Season

Extends to the lesson schedule. Schedules are set for the week on Tuesdays & cancellations are very difficult to accommodate. Please try to stick to your usual days/hours.

Camp Week Itinerary

A timetable & workshops for [all BBF](#) riders will be posted shortly for the week of June 22-26! Should be fun.

Look Closely --Thanks to Vanessa G.

New Partners

Congratulations to Emma Crate on the purchase of her new pony Ferdinand. Best of luck on your future success, fun & friendship.

Boots & Stall Door Neatness

Boot bags have been ordered to help keep turn out boots with each horse. For boarders & leasers, owning separate horse boots for riding is suggested (they will last longer!). Also, a reminder to fold sheets neatly & clean halters. Raphael has enough to do.

Upcoming: Cornerstone 7th, NSHA 14th, Fieldstone 16-19 (daytrips), NSHA 21st, Sandy Point 28th. ****Westbrook** (changed to July 2-5, - get your hotel rooms now).
