[A is for Ali, A is for Ariat - Good Luck!!](#)

Ariat Bound

Hats off to Ali & Jackson headed to the prestigious Ariat National Finals at the Capital Challenge show in MD for the 2nd consecutive year!

Show Offs

Great job to all who rode (& worked) at the Head of the Bay show at Grazing Fields - you all made the most of our only away show this summer! New pix on the website.

To All Riders

It is very important to double-check with Robin or Joy about treating horses or ponies for thrush (it can change) & to please notify Robin or ask Joy about any type of cut (even small ones), lumps, etc. Communication helps us keep track so small problems don't turn into major ones.

In Your Tack Trunk

Boarders/leasers, you need to have your own shampoo, keep your own large bath sponge (more sanitary for your horse), your own Showsheen and/or items your horse needs like ointments, dermascrub, ear balls, etc. Barn supplies are for school horses only.

Welcome to Fernanda

Congrats to new rider Fernanda Pett who jumped right in her first week showing at NSHA & got some nice ribbons aboard Mosaic in the specials & eq classes.

Back in Town

Hughie has returned from getting trained up & glossed up in Florida under the tutelage of James Lala. Check out his show video on the website sale page if you haven't already.

Mass Finals

Come out & join the crew to cheer on our adults (Fri), juniors (Sat) & mini-medal riders (Sun) at Northampton.
